

From a parent perspective, my wife and I continue to be impressed with the level of care and compassion we see from everyone involved in our children's education at Pope John Elementary.

I love Pope John because P.E. is very fun, the teachers are very nice, I get to learn about God, and Mrs. Priscilla is good at helping everyone. The playground is nice and the school is great.

Christina Bettler, 3rd Grade

I like Prince of Peace Schools for a combination of reasons. On one hand, I think students benefit from the ethical and moral content included in the curriculum. Further, the staff, faculty, and administration evidence a genuine devotion to our kids—they work hard to teach them, help them, and inspire them. - Parent, Bill Bettler

My teachers make learning exciting and they are so kind. I love all the fun we have at the Pope John Festival and family events. Lauren Gage, 3rd grade
